

Contact Tracing and Affiliate Notification Program

All COVID-19 students, staff, and faculty who have been in contact with a confirmed COVID-19 case since August 1, 2022, will receive an email to their AU email account from the Affiliate Notification Team.

If you are a student, you will receive an email to your AU email account from the Affiliate Notification Team. If you are a staff or faculty member, you will receive an email to your AU email account from the Affiliate Notification Team. If you are a student, you must report any COVID-19 cases to the AU Health Center.

If you are a staff or faculty member, you must report any COVID-19 cases to the AU Health Center.

Contact tracing is a key component of the AU Health Center's COVID-19 response. We encourage all students, staff, and faculty to participate in contact tracing to help prevent the spread of COVID-19.
